“GREEN” CARPET CLEANING

You get your living room, family room, up to 3 bedrooms, 1 hallway, and up to 13 stairs cleaned.

700 SQ. FT. MAX. • OPEN AREAS ONLY

Hello, Neighbor.

It’s tough...I mean really tough...to get known in a new neighborhood. I don’t care how good you are. Look at you and me for example. I’ve been knocking myself out passing out flyers trying to get your attention, but still we have never met. Please consider trying my carpet cleaning service so you can see for yourself, there really is a difference in carpet cleaners.

With me, you get the pride only an owner can bring to a job, along with a guy who is willing to work with your schedule. Yes, I work Saturdays and evenings. Please call to schedule, but hurry, my schedule should fill up fast with a price this low.

YOUR GREEN CARPET CLEANING WILL INCLUDE ALL OF THESE STEPS:

Pre-Conditioning: This part breaks the sticky and oily dirt’s bond from the carpet.

Spot Removal: I apply specialized spot removers to most spots.

Truck Mounted Steam Cleaning: The High Powered Equipment stays in the truck. Allowing me to use hotter water to more thoroughly rinse the dirt loosened in step one, from your carpet. Plus a new addition, my new power drying system.

WHY SO CHEAP?

First, this offer is only good within a certain distance from my home.

I cut out the yellow page ads and want to expand my business so I lowered prices to attract new customers.
